

Start Earning More Revenue from your Magazines Today

With NextNewsstand, publishers can expect to *grow revenue, increase circulation, expand their advertiser base* and develop an *increased online presence*. Publishers are always looking to *maximize exposure* and reach new audiences. NextNewsStand provides that solution.

- Distribution with an industry standard user interface: PDF is universal and rich
- Verifiable circulation numbers get a boost: BPA compliant
- Enormous cost savings when publishing online versus print
- Opens new, previously untapped audiences: wider
